“GREEN” Graphics Workstation Custom Cover Design Option

FRONT

PSU

Artwork must be supplied as *.jpg, *.gif, or *.png files. One file is needed for identical front and back, but separate front and back covers can also be applied.

Dimensions are identical for front and back, but artwork can be different.

The company logo (AI) and name (Adelante Industries LLC) will always be shown on the bottom righthand corner of the front page.

The front and back covers wrap around the edges.

The visible areas for front and back covers are
14 ½ in high, 18 in wide

For wrap-around color continuation, at least ½ in margins should be applied allround. Therefore, artwork should completely cover 15 ½ in x 19 in.

The print will be applied to vinyl covered sticky paper or plastic foil.
